

Don't forget to tell her that you gotta go

Well you've got something in your head
And you've got something to say
Well don't forget to tell her that you gotta go!
Well don't forget to tell her that you gotta go!

Well I see flowers in your arms
And a smile in your heart
Well don't forget to tell her that you gotta go!
Well don't forget to tell her that you gotta go!

Well I know, it's really late
And the night is kind of dark
Don't forget to tell her that you gotta go!
Don't forget to tell her that you gotta go!

There's lots of things to dream
And lots of things to lose
Don't forget to tell her that you gotta go!
Don't forget to tell her that you gotta go!

You've got something sweet to give,
Remember what it was.
Don't forget to tell her that you gotta go!
Don't forget to tell her that you gotta go!

Have you checked your emails?
And have you paid all your bills?
Don't forget to tell her that you gotta go!
Don't forget to tell her that you gotta go!
