

Where do you want me to go?

Where do you want me to go?
Where do you want me to go?
Where do you want me to go?

Where do you want me to be?
Where do you want me to be?
Where do you want me to be?

Where do you want me to stay?
Where do you want me to stay?
Where do you want me to stay?

Where do you want me to hide?
Where do you want me to hide?
Where do you want me to hide?

Why do you make me sad?
Why do you make me sad?
Why do you make me sad?

Why do you want me to cry?
Why do you want me to cry?
Why do you want me to cry?

Chorus

I know that you're so far away
I know that you're so far away
I know that you're so far away
Why do you make me sad?
