

## Late Night Dance

Oh, we used to do some jokes, you know  
Look at these people in this night  
It's pretty crowded  
Well, there's a lot of things goin' on  
The moon is shining over the lake  
Look at her, she's holding his hands  
I think, they must be in love  
What, is she eating something?  
Well, he's drinking some wine  
Could be Spanish wine ... I don't know  
I should go home now.  
Well, there's no one waiting anyway.

Well, I could listen to some AC/DC  
Or maybe play guitar and wake up the neighbours  
Well, I think that's not a good idea  
But I could read a book or drink some Spanish wine  
Look at the stars up there!  
They're pretty bright  
Are they telling any signs?  
Wow, this panthera is crossing the street!  
What is this panthera doing here?  
It's pretty black and big  
You should watch out!  
Who's responsible for that?  
I think, I should move on  
Well the moon and the stars are so bright on the lake  
You can see the little waves  
And suddenly there is no one!  
Suddenly there is nothing going on  
Well, what's going on anyway?  
It's been a long night  
It's pretty early in the morning now actually  
All the young kids are at home  
And the nice people, too  
I just keep strolling around  
I really could play some music at home or  
At least listen to some music  
I think that's a good idea  
Well, there's no one waiting at home anyway  
Well, let's see ...

There're some people dancin' around  
What kind of dance is this?  
Oh, I would like to know

Hmm, this is strange ...  
It's not the moonwalk, that's for sure  
She's wearing a lot of fashion, you know  
Kind of fashion wind  
That's the newest stuff you could buy  
It's pretty elegant  
What's going on in this night?  
I wonder, what's going on  
People are telling stories about nights like this  
It's strange, it's pretty scary!  
Especially this panthera running around  
It's actually a pretty scary night  
Should go home  
Well, there's no one waiting anyway.

If I would only have a job or something  
That'd be nice  
Getting up in the morning ...  
Going to bed at night ... like early ...  
Well ...  
What can you do in these days?  
Well, we'll see ...
